

ALDEEN FOUNDATION PROUDLY PRESENTS

Spring 2021 Arabic Session The Key to Getting All Students Engaged Online/Hybrid Learning

All sessions presented in Arabic language

Session dates: 3/5/2021 to 4/16/2021

Join us to learn in an intensive six-week session to ask questions, discuss topics, and apply your learning in your classroom.

You will learn about the best practices for using educational technology to differentiate instruction to engage your students online and in class.

The course will cover:

- *New ideas, practices and resources*
- *Recordings that can be accessed any time*
- *Live interactive sessions with experts in the field that are highly engaging*
- *Online discussion forum where you can connect and collaborate with other colleagues*

Increasing student engagement
